There is the biggest kind of a "kick" among Tammuny men in the Twentyfifth District over the appointment of "Con" Roche as subpoena server, at \$1,200-a year, by District-Attorney Fellows. Roche is a liquor-dealer who has a good income from his business, and there is a double dissatisfaction because the place was given to a man who did not need it, and because a man who did not need it, and because a man who did not need it wis discharged to make room for him.

Comedian Thomas Q. Seabrooke has just been made a present of a handsome yacht called The Tabasco. A warm admirer and friend in Philadelphia is the giver. In a characteristic letter accompanying the present, this gentleman writes, among other things, to Mr. Seabrooke: "Tommy, there is one request that I have to make, and that is, if an accident should occur, hold fast to your boat; don't attempt to swim ashore, no matter how close it may be, as that is invariably the way people are drowned. Those who cannot swim are seldom drowned. Bear this in mind." This is rather funny advice to give to O'Grady, the only man alive who ever saw McGinty at the bottom of the sea.

are now the theatrical sensations of Chicago. One of them is the farce "Charley's Aunt," which has been crowding Hooley's Theatre for four weeks, averaging over \$3,000 a week in receipts, with a probability that its profit and popularity will endure all Summer; the other Sydney Grundy's beautiful "Sowing the Wind," which got the most enthusiastic reception and indorsement at the Columbia Theatre, last Monday night, that was ever accorded a play in Chicago. The Empire Theatre stock company's admirable interpretation of the play had much to do with the triumph, of course, Henry Miller and Viola Allen got seven curtain calls after the stirring "sex against sex" scene on the opening night, and the vast fashionable audience waited after the performance was sent up three different times, and the entire company was brought forward as often. This enthusiasm has been repeated every night since. The first week's receipts will exceed \$11,000. The two performances last Wednesday drew over \$3,000. a slight fire.

At 7.39 o'clock the ferry-boat Colorado, running between Roosevelt street, this city, and Broadway, Williamsburg, while crowded with passengers, ran into the side of her Broadway slip. The accident was caused by the heavy inrushing tide.

The force of the impact threw half the passengers of their feet and caused some excitement. None was injured, but neveral piles of the plant were demailshed. A fire broke out on board the ferry-boat Orange while she was in midstream of North River last night about 10 o'clock. The Orange ples between last night about 10 o'clock the feet and caused with passengers of the plant were demailshed. Several people were slightly bruised in the excitement.

Exmebody yelled that the hold was on fire and it created a panic among the women and children. Two women fainted. Several people were slightly bruised in the excitement.

The boat was stopped and a blaze which had occurred by soot taking fire in the smokestack was extinguished.
